Specimen questions

Section A

Multiple-choice answers – 1 mark each

Answer all questions (Please use answer sheet provided for answers)

NOTE: Choose only one answer per question

- 1 Which of the following statements about Article 8 of the European Convention on Human Rights is FALSE?
- A It is part of UK law due to the enactment of the Human Rights Act 1998.
 - B It is about respect for private and family life.
 - C A public authority in certain circumstances can justifiably violate it.
 - D It is an absolute right which can never be violated by a public authority.
- 2 In the GDPR, what does the following statement describe?
- 'The controller shall be responsible for, and be able to demonstrate compliance with the data protection principles'
- A Accountability.
 - B Responsibility.
 - C Liability.
 - D Obligation.
- 3 Which ending to the following statement is CORRECT?
- A data processor could be held in breach of the GDPR if it...
- A Fails to train its staff who have access to personal data.
 - B Fails to take all reasonable steps to establish the appropriate level of security for the processing of personal data.
 - C Fails to follow the instructions of the data controller.
 - D Fails to keep a record of the processing activities it performs on behalf of a data controller.

- 4 Which of the following would be FALSE, when privacy information is supplied to a data subject whose data has **NOT** been obtained directly from them?
- A Notice must be given within one month of having obtained the data.
 - B If the data is to be used to communicate with the individual, at the latest, when the first communication takes place.
 - C No information is required to be given to the data subject.
 - D If disclosure to another recipient is envisaged, at the latest, before the data are disclosed.
- 5 What does **NOT** need be included in a personal data breach notification?
- A The nature of the personal data breach.
 - B The name and contact details of the Data Protection Officer.
 - C Costs associated with the breach.
 - D A description of the likely consequences of the personal data breach.

-End of Section A-

Section B

Multiple-choice answers – 2 marks each

Answer all questions (Please use answer sheet provided for answers)

NOTE: Choose only one answer per question

- 6 Which pieces of legislation from the list below does the Information Commissioner's office cover?
- a) The GDPR.
 - b) Freedom of Information.
 - c) ISO 27001.
 - d) Privacy and Electronic Communications Regulations.
 - e) The Data Protection Act.
- A a, b, c and d only.
 - B a, b, c and e only.
 - C a, c, d and e only.
 - D a, b, d and e only.

- 7 A social media site is being launched in the UK to cater for the attitudes, values, perceptions, beliefs and behaviours of 14 year-old girls interested in fashion and music. The new service is keen to comply with the GDPR and wants to avoid any negative media coverage that some of its competitors has attracted. It has designed a Data Privacy Notice (DPN) explaining the legal rights and freedoms for data subjects. It relies on the consent of the parent and guardian in order to deliver the service.

What mistake (if any) has the social media site made?

- A No mistake as the consent of the data subject is not required in order to process personal data.
- B It has assumed it can rely on legitimate interest.
- C It should have pre-notified the ICO.
- D The DPN should be addressed to the data subject and consent should be obtained in order to process personal data.

- 8 According to the GDPR, under which of the following circumstances **SHOULD** a data protection impact assessment be required?

When...

- a) Systematic evaluation is based on automated processing.
- b) Processing data relating to criminal convictions and offences.
- c) Carrying out analysis of individuals' use of consumer credit.
- d) Conducting large scale systematic monitoring of publicly accessible information.

- A b, c and d only.
- B a, c and d only.
- C a, b and d only.
- D a, b and c only.

- 9 The GDPR specifically states that security measures **SHOULD** be taken against which of the following?

- a) Damage to personal data.
- b) Unauthorised processing.
- c) Data leaving Europe.
- d) Unlawful processing.

- A a, b and d only.
- B b and c only.
- C c and d only.
- D a, c and d only.

10 Which of the following are **TRUE** in regards to the GDPR recitals?

- a) Recitals are enforceable under the GDPR.
- b) The European Data Protection Board references the recitals to ensure that the GDPR is consistently applied across the European Union.
- c) Recitals are important as they are in effect the explanation notes of the Articles in the GDPR.
- d) Infringement of the recitals carries the same maximum financial penalty of 4% of global turnover or €20m, whichever is greater.

- A** a and d only.
- B** c and d only.
- C** b and d only.
- D** b and c only.
